

# City of Elko Co-mingled Recycling Program

**Elko Sanitation  
recycled over  
482 tons!**

## I want to be RECYCLED:

**Plastics:** bottles, tubs, lids, packaging

*-If it's stamped with the recycling symbol recycle it! ♻️ The number within the symbol describes the type of plastic.*

**Cans:** aluminum, steel/tin, aerosol cans

**Paper:** magazines, junk mail, office paper, newspaper, catalogs, phone books, envelopes (windows ok), paper grocery bags

**Paperboard**

**Cardboard boxes** (flat),  
including empty pizza boxes

**Cartons:** milk-style cartons

**Styrofoam** (no packing peanuts)

### Tips:

- Lids** can be recycled too. Separate them from the bottle/container.
- Give food-contaminated materials a quick **rinse** to avoid odor issues.

**Thank you for recycling!**

## Trash or recycled elsewhere:

**Glass:** trash

**Foil:** trash

**Juice boxes or pouches:** trash

**Packing peanuts:** recycle at Goin' Postal or Ship It Postal Service

**Plastic bags:** accepted at many grocery stores

**Electronics:** recycle at Pacific Steel; CRTs accepted for a fee

**CFLs** (pigtail bulbs): recycle at Home Depot

**Yard waste:** trash or compost at home

**Household Hazardous Waste:** Contact Elko's Environmental Coordinator to set up a drop-off time. 775-777-7213
